

NORTHWEST BREEDERS' FALL ALL BREED FEMALE SALE
November 28, 2010
Northwest Livestock Commission Co. Hermiston, OR
Sale managed by James Danekas & Associates, Inc.

1. **Entry fee: \$125 per head** (\$125.00 will go to sale costs, \$25.00 will be a processing fee which will be refunded on all lots that arrive at the sale.) Entries that are no shows will forfeit all the entry fees. Entry fees are non-refundable.
2. **Entries are due September 20, 2010.** Entries received after that date will be charged an additional \$50/lot late fee and are subject to acceptance or refusal by the sales management.
3. Entries are only open to all who consigned and brought females to the 2009 sale along with everyone who purchased in the 2009 sale. Breeds that currently have a genetic problem within their breeds, must test negative for the problem to be eligible for entry. Breeds that were not entered in 2009 are eligible to consign in 2010 and will be governed by the original grand fathered in rules established in the 2009 sale. Angus breeders may enter the futurity section (entry fee is \$175 instead of the \$125, \$50 to go to the Futurity fund). The Futurity entries will sell first in the Angus section. Futurity entries will qualify the buyer to be eligible to compete for \$20,000 in future Northwest Breeders Fall All Breeders Female Sale credits. Only 2009 & 2010 born individuals are eligible for Futurity section, this includes fall born 2010 models and their dams are eligible. All 2010 models except fall born 2010 calves on the cow, entered in the Futurity must be halter broke. For additional information pertaining to sale eligibility should be directed to James Danekas (916)-837-1432.
4. Sale expenses not covered by the entry fees will be prorated including advertising, catalog, postage, veterinarian, facilities, labor, feed, bedding and any other expense connected to the conduct of the sale.
5. **Entries will be charged the following costs:**
 - Prorated sales costs. \$100.00 of entry fees will go towards sale costs.
 - 6% commission on sales and no sales (5% to sale manager and 1% to the auctioneer).
 - Expenses charged directly to the consignor including brand inspection, Beef Council, transfers, registrations, A. I. Certs, etc...
6. Entries are limited to registered females born between 01/01/03 and 5/1/10. Pairs, bred females, open females, donor cows, pregnancies, flushes, semen and embryos are eligible. Spring calvers selling must be safe in calf a minimum of five months by sale day. Fall calvers must have a calf at side, may be open or rebred. All first calf heifers must calve by 27 months of age. The sale management must clear any exceptions. Semen, flushes, pregnancies and embryos can be entered but only a limited number will be allowed to sell. Any entries not accepted, entry fees will be refunded. Semen is limited to rare and hard to obtain semen. If a large supply of semen is entered, only the most saleable packages will be accepted.
- 6A. Commercial females in groups of 5-10 will be accepted, Commercial females will sell after the registered females. Entry fee is \$15/ head Fees for Commercial is 5% commissions plus yardage.
7. Consignors are urged to offer services and breeding privileges on all female consignments.

8. Groups (i.e.... five paternal sisters) can be entered in the pen division. The buyer can get one pick (he can take one, two or whatever) the remaining will sell all to go.
9. Cattle must be sound and of good quality. Unsound, bad udders, bad eyes and low quality are subject to sift by the sale management. All entries will be screened at arrival time. Sifted cattle will forfeit their entry fee and will not be allowed to sell. All pedigrees will be screened at entry time. If you have a question about your pedigree saleability, please call the Northwest Breeder's Female Sale office.
10. This in an unhalted sale, (except for Angus Futurity entries). However, if your entries are halter broke, please indicate, as many breeders prefer halter broke cattle, because they are quieter and easier to handle. Any fitting or clipping must be completed prior to arriving at the sale site. Entries will be feed, watered, washed (if weather permits) and handled by the sale crew. No ranch signs, displays or tack areas. The sale will be sorted as one big production sale.
11. Sale order will be determined by the sales management.
12. All females must be calfhood vaccinates and eligible for interstate shipment. Cattle selling outside of the state must be eligible to pass the necessary tests to enter that state or they will still belong to the seller. All entries must indicate calfhood vaccination information.
13. Cattle that are no shows will forfeit their entry fees. No sales will be charged prorated sale costs and the no sale commissions of 6%. Legitimate substitutions will be allowed.
14. All registered cattle must be registered prior to entry.
15. All paperwork must go through the sale management office. No direct transfers allowed. No proceeds will be dispersed to any consignor until all paperwork is completed and to the JDA office. Proceeds will be paid to consignors only after purchases have been paid for and funds have cleared the bank.
16. Seller's must furnish A.I. Certificates on all females that are bred A.I. A.I. Certificates need to be issued when the buyer registers the A.I. Calf. Each breed must abide by their breed association's rules and procedures.
17. The sale may take up to 30 working days to close. Sellers must be aware of the time to collect proceeds, clear checks and pay the bills. Only after all the bills are received can the sale be closed. JDA is acting as an agent and seller will be paid after the proceeds have been collected from the buyer. All sales and guarantees are between buyer and seller.
- 18. All entries, entry fees, papers and other information must be submitted no later than September 20, 2010.**
