The fourteenth annual Triangle B Ranch production sale was a great start to the 2022 spring sale season. With 30 registered buyers in the seats and 80 registered online, the day was very active with aggressive bidding. The sun was shining on the Triangle B Ranch and spring was in the air to add even more excitement to the day. The event was very enjoyable and all who were present enjoyed a Wagyu brisket lunch and the hospitality didn't stop there; the Friday evening social event was just as superb and of course, highlighted Wagyu.
