A hint of spring filled the air as the Diamond T Ranch welcomed everyone to the ranch to celebrate the Wagyu breed and the first ever production sale of the Diamond T Ranch fullblood Wagyu program. The hospitality began with a Texas style feast on Friday night and Saturday welcomed fellow breeders to yet another amazing spread and atmosphere. A group of active participants were present while a lot of action was brought to the scene over the internet. Over 130 viewers including participants took advantage of the online venue to partake in this exciting first endeavor. In the end, 57 lots of females and one bull were sold to 7 different states.
