With a shot of rain the day before the sale, the pastures started to pop with fresh, bright green grass on sale day. With the sun shining and a large crowd gathering, the 15<sup>th</sup> Annual Triangle B Ranch sale was a huge success. The guests enjoyed a fullblood Wagyu lunch and a very exciting sale. Bidding was very active and to start the auction off, a record high seller was sold. The 80+ people online and the full loft at the sale witnessed history. It didn't stop there as half way through the sale yet another record was shattered to make this sale hold the top selling fullblood Wagyu bull and female ever sold in North America. To top it off, in the crowd to witness all this go down was "Bubbles", the cutest little girl pet monkey. The day couldn't have gone any better.
