The second Texas Wagyu Association Fall Harvest event was a huge success. The festivities kicked off on Friday night with a large crowd gathered to enjoy a Wagyu dinner and entertainment by the Nathan Colt Band. Chef Michael and his team executed an amazing spread and all was enjoyed. Saturday morning started busy with a crowd gathering to view the offering, enjoy conversation with fellow breeders and support the event. By the time the auction started, the seats were full, there was over 100 registered buyers online and an exciting sale order that included a homerun with the first animal in the sale ring selling for \$100,000 to buyers in the seats. In the end, lots were sold all over the country and Mexico. A very successful event in all!
