The last auction to ever be hosted at the original M6 Ranch headquarters was a magical one. The auction facility has housed M6 Ranch auctions for over 40 years and this one was bittersweet and a way to end the facility's career on a good note. The bleachers were packed and with 70 online bidders, the very active auction was beyond exciting. All 170 lots sold to 18 different states, Canada and the United Kingdom. Many of the M6 Ranch family were there for this historical event and to help in celebrating the life of the late Jack Moore who founded the ranch and its many successes.
