The 5th Annual Passion for Prime event was a huge success. The day before the Midwest Wagyu Meeting had a large crowd in attendance and some of the industry's best speakers. That evening, the party was even more exciting and was an evening of not only great company but amazing food that highlighted Wagyu beef. The auction itself was tremendous; the best on record and not only was there a nice crowd in attendance, the online registered buyer list was a whopping 97! The hosting sale facility in Kansas is a wonderful place to celebrate the Wagyu breed and we look forward to going back there in 2022.
