One of the first Door Key U087 pregnancies offered for sale in the US! Combing the elite marbling of U087 with a supremely well balanced United heifer in Wedekind Farms Royal gives you an animal that checks all the boxes. Royal is another solid heifer from the prolific 0741H cow out of Lone Mountain. This mating predicts to have a MS of +3.6, a MF of +0.65, and a BFI of +\$604. The pregnancy is sexed for female and both sire and dam are defect free. Recip is a 4 year old black baldy cow. A great chance here to get a really special calf...

This sexed female pregnancy is a Wyndford Itoguni out of a strong, defect-free Bond daughter whose maternal sister sold for \$19,000 last year in the Big Texas sale. Her dam is LMR Ms Mayura 0741H, an L10 female out of Lone Mountain that has produced numerous elite progeny. This pregnancy projects top 1% with an EMA of +13.7, a MS of +3.8, and a BFI of +\$584. Recip is a 6 year old black white-face cow that historically raises really nice calves. Don't miss this opportunity to add these high-marbling genetics to your herd!
